PROFFER ON AWARD OF COMPENSATION

I. Compensation for Vaccine Injury-Related Items

On June 9, 2015, former Chief Special Master Denise K. Vowell issued a Ruling on Entitlement determining that petitioner was entitled to vaccine compensation for the death of her son, C.S., following his receipt of multiple vaccinations on November 16, 2012. Based upon the evidence of record, respondent proffers that petitioner should be awarded \$375,332.22, which represents all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a). Petitioner agrees.

II. Form of the Award

Respondent recommends that the compensation provided to petitioner should be made through the following lump sum payments:

- a) a lump sum of \$25,302.25, which amount represents reimbursement of a Commonwealth of Virginia Medicaid lien, in the form of a check payable jointly to petitioner, and

Department of Medical Assistance Services
Accounts Receivable 8th Floor
600 E. Broad Street
Richmond, VA 23219

Petitioner agrees to endorse this check to the appropriate State agency.

- b) a lump sum payment of \$350,029.97, in the form of a check payable to petitioner as the legal representative of the estate of C.S.

Petitioner agrees. These amounts account for all elements of compensation under 42 U.S.C.

§ 300aa-15(a) to which petitioner would be entitled.

No payments shall be made until petitioner provides respondent with documentation that she has been appointed as the legal representative of C.S.'s estate.
